

The execution  
of a leasing agreement  
can be a  
traumatic experience.

Its terms and  
conditions directly affect  
the profitability  
of any enterprise.

At Leopold,  
we save companies money  
(and major headaches)  
by putting financial  
and negotiating  
expertise at the service  
of our only clients,  
the users of space.

We develop creative strategies  
to achieve their best possible  
real estate solution.

So if you are a user of  
office or industrial space,  
don't risk your neck.

Call the Leopold team.  
We go to the wall for you.
